

The America's Home Grant™ Program

Closing cost assistance for eligible homebuyers

If you're looking for ways to make homeownership more affordable, ask about the America's Home Grant™ program from Bank of America. This program offers closing cost assistance to qualified borrowers based on their income or the location of their home.¹ Benefits of the America's Home Grant program include:

- No need to repay the grant.
- Available on a wide variety of loan programs to help purchase or refinance a home.
- Grant can be used to help cover non-recurring closing costs.

This program is one way Bank of America is helping create successful homeownership in the communities we serve. Your Bank of America mortgage loan officer can help you determine if you are eligible for this program, and review other home loan solutions that could help you achieve your homeownership goals.

To learn more, please contact:

¹ Borrowers must meet eligibility requirements including, but not limited to, being owner-occupants, meeting certain household income limitations and/or residing within certain geographical areas. The home loan must be funded by Bank of America. The America's Home Grant program is limited, and the right to change or revoke without notice is retained. Income limits based on the current HUD estimated median family income level for the area in which the subject property is located. Please ask for additional details.
