I was fortunate to receive a full athletic scholarship to play for Northwestern University and participate in the '95 Rose Bowl, '96 Citrus Bowl, and Back to Back Big Ten Championship Teams. While studying for my B.S. in Engineering, I worked hard to balance academics while playing Division I football. Today's market, in many ways, reminds me of the 1995 Football Season... Despite the almost overwhelming negative criticism and doubt, we passionately found a way to win. Like the '95 Season, my success in today's real-estate market is built on Hard Work, Dedication, & Passion for finding a way to win. Please let me know if I can join your team and help you today!
